

City of St. Catharines
Public Information Centre

Park Renewal Plan Project

A colorful illustration of a park scene. In the foreground, there is a green grassy area with a wooden play structure featuring a slide, a swing set, and a bench. There are several green trees of various shapes and sizes, and two black lampposts. In the background, a city skyline is visible under a light blue sky.

The City invites you to attend a public information centre to offer feedback on the proposed conceptual design for

Alex MacKenzie Park Play Equipment and Basketball Court

to be held on
Thursday, April 13, from 5 to 6 p.m. at
Russell Avenue Community Centre
(Assembly Room), 108 Russell Ave.

The City will display the proposed design, and will be **welcoming residents' feedback** on the conceptual drawing.
