The Niagara Sexual Assault Centre invites you to our 43rd annual Take Back The Night Event on Thursday, September 19th starting at 6:30pm. This event raises awareness about gender and sexual violence. We have seen some changes over the years. Laws have been introduced, apps have been created etc. but sadly this hasn't resulted in a real decrease in violence. In fact, sexual violence is the ONLY crime NOT seeing a decrease.

This event is aimed at shining a light on what we are witnessing. We want our community to help draw attention to issues facing too many. So we ask - what changes do you want to see? What should be done? What will YOU do? Join us for a night of speakers, community partners and a candle lit march through the downtown core!

For more information please reach out to Tricia Cosgrove at tcosgrove@nrsac.org

See you there!
