March Break at the Museum

Date and Time: Monday, March 10 10:00 am - 12:00 pm

Address: 1932 Welland Canals Parkway

This March Break, we are exploring the History of Food. Get ready for a fun and educational experience with a variety of exciting daily hands-on activities for all ages!

Discover the fascinating discoveries that have transformed the way we eat in our Great Canadian Food Lab demonstrations! From the making of maple syrup to why bread rises, you'll gain a whole new appreciation for the history of food in our community.

Best for kids aged 6-12 accompanied by an adult. All activities are available to the public by donation. No registration required.

Event Schedule and Details

The Great Canadian Food Lab, Monday- Friday 10:00-10:50 AM with Abbey

Join us in the [Great Canadian Food Lab](#) for hands on food-based experiments that showcase the discoveries that changed the way we eat in St. Catharines and across Canada. Each day features three new food experiments that provides participants with hands on examples of the historic scientific discoveries that have changed the way we eat.

Maple Syrup and More! Monday-Friday 11:00 AM- 12:00 PM with Sean

Nature's food lab! This activity series runs daily, exploring where our sugar comes from, past and present. Participants will have the opportunity to explore the maple tree's significance to Canadian culture, learn how to tap a tree, and collect the day's sap! Once the work is done, each day participants will learn about a different kind of sugar and complete a craft to take home!

March Break Adventure Book, Monday-Friday 9AM-5PM

Leave time for some self discovery through the Museum with our March Break Activity booklet. Available in the Museum Lobby during opening hours, be sure to pick up your copy.

Living Safely in the Community

Date and Time: Thursday, March 13 10:00 am - 12:00 pm

Address: Online via Zoom

Explore how persons living with dementia can live safely in their homes and in the community. Living at home might give a person living with dementia a sense of freedom and familiarity. It may be possible to support a person with dementia in maintaining their favorite routines or activities by making minor adjustments to their living space.

Join us as we discuss strategies to create a dementia-friendly environment and ways to live safely in the community.

Register by calling our office at 905.687.3914 or visit us online at www.alzheimerniagara.ca/publicforums

RBC Training Ground Qualifier

Date and Time: Saturday, March 15 9:00 am - 1:00 pm

Address: Canada Games Park, 2021 Canada Games Wy,

RBC Training Ground finds and funds athletes with Olympic potential. This free national talent identification and athlete funding program gives young athletes (ages 14-25) the chance to test their speed, power, strength and endurance in front of official sport partners to see if they are suited for an Olympic sport. Over the first 9 years of the program, RBC Training Ground has tested over 16,000 athletes from across Canada in search of Olympic potential. To date, we have had 21 RBC Training Ground alumni reach their Team Canada dreams by becoming Olympians, with 12 of these 21 athletes bringing home 14 Olympic medals from 3 Olympic Games.

Sunday, March 16, 2025

Bach on Turtle's Back - Year 3 - Rebirth

Date and Time: Sunday, March 16 3:00 pm - 5:00 pm

Address: Robertson Theatre FirstOntario Performing Arts Centre 250 St. Paul Street, St. Catharines

Bach on Turtle's Back - Year 3 - Rebirth

Birth, death and rebirth resonate as universal topics of human expression. Combining the

C major Violin Sonata and *E major Partita* of J. S. Bach, the choreography of Brian Solomon,

and selected Bach arias, "Rebirth" explores and reconciles these profoundly human concerns

within a uniquely Canadian context. In this, the third and final concert of our Bach on Turtle's Back project, we are proud to premiere a new commission from Cree composer Andrew Balfour, scored for period string quartet and baritone (performed by Jonathon Adams & the Eybler Quartet). Join us for the culmination of this multilayered, multi-discipline project, a true feast for the senses.

Directed and Choreographed by Brian Solomon.

PERFORMERS: Brian Solomon; Jonathon Adams, baritone; Julia Wedman, solo violin; Mariana Medellin, dancer. Eybler Quartet: Julia Wedman and Patricia Ahern, violins; Patrick Jordan, viola; Margaret Gay, 'cello.

Tickets available on our website \$10, \$25 or \$40 - general seating and you choose price, or Pay-What-You-Choose at the door of the concert.
