Positive Approaches to Care

Date and Time: Thursday, March 21 10:00 am - 12:00 pm

Address: 1-403 Ontario St., St. Catharines ON L2N 1L5

Presented by Sarah Putman, Director of Education & PAC Certified trainer

Discover essential techniques like 'Hand-under-hand' in this workshop, designed for the middle to later stages of dementia. Learn to operate tools while your loved one actively participates, fostering a sense of control and involvement. Acquire skills that enhance communication and create a positive caregiving environment.

These newly learned skills will enhance communication and enable care partners to shift from simply "dealing with the behaviors" to creating a positive and caring environment.
